

Apps to support your learning:

Times Table Rockstars

Login and get rocking! Practise your times tables to become a Rockstar. Little and often is the best policy – we aim for four rounds a day in school

Maths on MyMaths

Log in to MyMaths to find lots of maths activities linked to our learning in school. There are loads of activities to find in the section labelled 'Practice'.

Bug Club

Everyone has lots of books on Bug Club. These come with questions, and lots of games and activities as rewards for their reading.

Global Warriors

Homework Booklet

How can our actions affect our planet?

Responsibility

What responsibilities do people have to our planet?

Change

How can we make a change?

Consequences

What are the consequences of our actions when we don't care for our planet?

Spelling test

We will have a spelling test every Friday. Spellings are sent out at the start of each half term and are also on the website.

Tables test

We will practise a focus table each week. This half term the tables tests will be on these dates:

09.09 x10	30.09 x11
16.09 x2	07.10 x5
23.09 x3	14.10 mix of these

We will use the last week of term to practise this terms tables so there will be no test.

The following activities are all optional.

Please use them as a chance to get creative, and don't be afraid to think outside the box if the mood takes you.

Completed activities can be uploaded to Seesaw or they can be brought in to school.

Option One – An animal poem

Choose a poem and bring it in to perform. Challenge: Learn the poem off by heart and then perform it!

Option Two – Endangered animal fact page

Can you include:

An animal drawing

What makes this animal special

Where it can be found

Why it is endangered

Amazing facts

Option Three – Inspire!

Make a poster to inspire others to help care for our planet. Think about how to make it stand out, such as with colours, a catchy slogan, or maybe a shocking fact.

Option Four – Life around you

Head outside and photo the different living things you find. These might be plants or animals. You might do this in your garden, or maybe head further from home. It's up to you.

You might want to make a collage of your photos using an app like Pic Collage.
