

KIRF: I can sort objects to say which group is more/less.

What can this look like?

Concrete

Pictorial

Abstract

3 is more than 2.

2 is less than 3.

Key Vocabulary

More, less, larger, bigger, greater fewer, smaller, fewest, smallest.

Activities to Try

Throwing– Use hoops and ask the children to throw balls/beanbags into a hoop. Ask them which hoop has more or less. To challenge ask them to throw the balls so that a specific hoop has more.

Questioning– Ask the children everyday questions to support this, for example is there more blue cars or more red cars.

Key Questions to ask at home

- Which group has more?
- Which group has less?
- Which group is bigger?
- Which group is smaller?
