

My World and Me

Why are things different?

Homework Choices

Year 1 - Spring 2

Your optional homework tasks this half term all link to our 'My World and Me'. You will need to think about what you learn in school to help you with each task.

We can't wait to see any of the work you complete, please bring it in to your class teacher.

You can complete the tasks in any order and do as many as you wish. Remember the important thing is to have fun!

RWI Red words set 2

					
all	go	was	want	to	what
we	old	we	go	me	all
so	some	so	old	call	was
there	to	call	some	her	we
want	me	her	he	there	so

Task 1: Practise it!

Can you challenge a grown up to a game of roll and read? Roll the dice and read the red word that shows the same number as your dice. When you can read them, can you challenge yourself by learning to spell them?

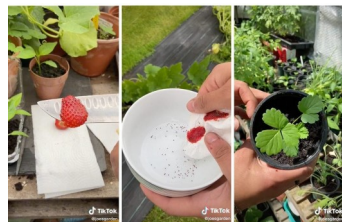

Task 2: Design it!

Can you make a 3D model of your favourite type of home? This can be anything from a ship to a birds nest! Think about who would live there and what they would need to keep them safe and happy!

Task 3: Grow it!

Collect a few seeds from some fruit such as a tomato or an apple and make a plant pot by recycling a carton, yoghurt pot or just some rolled-up paper. Put in some soil or compost. Don't forget to water it! Keep an eye on your fruit pots and see how long the seeds take to germinate.

Task 4: Make it!

Can you design and make your very own fabric finger puppet? Think about the best way to join the fabric together and what you will need to attach any features/decoration.

Task 5: Count it!

Practice your calculation skills online at 'Hit the Button', and have a go at number bonds up to 20!

www.topmarks.co.uk also has lots of fun maths games!

Task 6. Explore it

Using your geographical knowledge, explore your local area and investigate its human and physical features.

Human features: beach, cliff, coast, forest, hill, mountain, sea

Physical features: city, town, farm, house, office, harbour, shop
