

## KIRF: I can recall facts about durations of time.

### Use your knuckles -

When's your birthday – What month is your mum/dad/brother/sisters birthday? How many days are there in it?

What month comes before your mum/dad/brother/sisters birthday?

Which month comes afterwards? How many days are in those months?

Rhymes and memory games –

'30 days has September,  
April, June and November.

All the rest have 31,  
except February, it's the one,  
which only has 28 days clear,  
and 29 in each leap year.'

### Key Vocabulary

There are 24 hours in a day

In a leap year there is an extra day in February

August is the month after July

There are 60 minutes in an hour and 120 minutes in two hours.

### Key Facts

There are 60 seconds in a minute.

There are 60 minutes in an hour.

There are 24 hours in a day.
