

KIRF: I can recite number names in order to 10.

What can this look like?

Concrete

Pictorial

Abstract

1, 2, 3, 4, 5, 6, 7, 8, 9, 10.

Key Vocabulary

One, two, three, four, five, six, seven, eight, nine, ten.

Activities to Try

Making your own number line– Can the children make a number line of their own. Draw numbers on blank pieces of paper and see if they can order them.

Counting stairs– Encourage the children to count how many of stairs there are when you are climbing up them. This could also be done with other everyday objects.

Key Questions to ask at home

Which number do we start with?

Which number is bigger?

Which number is smaller?
