

KIRF: I can recall number bonds of numbers 0-10.

What can this look like?

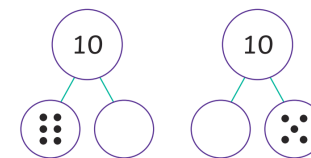

Concrete

0+10=	1+9=
2+8=	3+7=
4+6=	5+5=
6+4=	7+3=
8+2=	9+1=
10+0=	

Pictorial

Abstract

Key Vocabulary

- Altogether
- More
- Less
- Equal

Activities to Try

- Give your child a number and they must draw/record the number bond to 10.
- Out and about, ask your child to collect different objects to represent a number bond to 10 (e.g– 5 leaves and 5 sticks).
- Can your child spot any number bonds to 10 whilst cooking? I have 3 biscuits, how many more do I need to make 10?
- Use a timer and record how long it takes to record all number bonds to 10.

Key Questions to ask at home

- If I have 7, what number do I need to make 10?
- Can you show me two numbers that make 10?
- How many more do I need to make 10?
