

How can we make the world a better place for all?

Homework Choices

Year 1 - Autumn 1

Your optional homework tasks this half term all link to our 'Global Warriors' topic. You will need to think about what you learn in school to help you with each task.

We can't wait to see any of the work you complete, please bring it in to your class teacher.

You can complete the tasks in any order and do as many as you wish. Remember the important thing is to have fun!

Task 1: Make it!

Can you create a print using recyclables? Which object makes the best pattern?

Task 2: Sense it!

Can you go on a senses scavenger hunt? What objects can you:

- ⇒ See - What does it look like? How would you describe it?
- ⇒ Touch - How does it feel?
- ⇒ Hear - Is it loud or quiet?
- ⇒ Smell - How would you describe it?

Task 3: Read it!

Enhance your knowledge of how to look after our planet! Why not visit the local library and see what books they have there. There is also lots of information online about the solar system, as well as interactive games.

Task 4: Be a protestor!

We have been learning all about how to clean up our rubbish and look after our planet.

Can you create a poster advising ways in which others could do the same?

Task 5: Count it!

Practise your counting skills by counting things that you may see every day. How many houses do you pass on the way to school? How many stairs do you have in your home? How many how many red cars do you see in your street?

Task 6. Location Location Location!

Search online maps for key features including beaches, rivers, forests, mountains, roads, houses, farms. Can you find your house on a satellite map? Can you create your own map of your street?
