

Light and dark

Where will our
imagination take us?

Your optional homework tasks this half term all link to our current topic. You will need to think about what you learn in school to help you with each task.

We can't wait to see any of the work you complete, please bring it in to your class teacher or upload a picture to tapestry to let your teacher see.

Task 1: Seasonal change

Get your wellies on and go for a seasons walk. Can you collect any items that show signs of Autumn?

Task 2: Can you find your shadow?

We have been exploring things that we would, and wouldn't, see in the day and the night. On a sunny day, can you find your shadow outside? Can you draw around it?

Extension– Can you have a shadow puppet show?

Task 3: Shopping list

We have been encouraging the children to begin to blend and write short, CVC words such as: cat, mat, sun, pin etc.

Before going to the shops, can you write a list of the items you would like to buy?

Task 4: Happy Bonfire Night!

It has recently been Bonfire Night. Can you create a firework picture? This could be using either pens, paint or any craft materials.

Task 5: Can you catch a star?

Before bed, can you have a look out of the window and look at the stars? Can you see any patterns in the sky? What do you notice?

Extension– Can you make a telescope to help see the stars?

Task 6: ...It's almost time!

Christmas is quickly approaching! Can you make a Christmas craft? Your craft could be a painting, a junk-model, a picture or a gift for a friend.
