# Time Travellers

**Can we touch the moon?**

## Homework Choices

Year 1 - Spring 1

Your optional homework tasks this half term all link to our 'Time Travellers' topic. You will need to think about what you learn in school to help you with each task.

We can't wait to see any of the work you complete, please bring it in to your class teacher.

You can complete the tasks in any order and do as many as you wish. Remember the important thing is to have fun!

### Task 1: Research it!

Here are your own ninja words. What do these words mean? Can you create your own ninja slide about it.

crater          launch          engine

### Task 2: Design it!

Can you create something to keep astronauts safe in space? What materials would you use? How could it keep astronauts safe?

#### Key Vocabulary:

astronaut                      space                      satellite  
stars                              planets                      moon

### Task 3: Collage it!

Can you create your own planet picture? Which planet are you creating? What colours will you need to use. Can you add different materials to create the texture of that planet?

### Task 4: Make it!

How many different ways can you make 20? Which numbers have you used? Can you spot any patterns?

Why not try making all the teen numbers.

### Task 5: Practise it!

You will find some red words on the back page of this booklet -can you practise reading these. When you can read them, can you challenge yourself by learning to spell them?

I	the	you
your	said	was
are	of	want
they	to	do
does	all	call

### Task 6: Research it!

Can you find out what life was like on Apollo 11. What did it look like, what different rooms were inside it? What did the astronauts do while they were inside it?
