

## Apps to support your learning:

### Times Table Rockstars

Login and get rocking! Practise your times tables to become a Rockstar. Little and often is the best policy – we aim for four rounds a day in school

### Maths on MyMaths

Log in to MyMaths to find lots of maths activities linked to our learning in school. There are loads of activities to find in the section labelled 'Practice'.

## Spelling test

We will have a spelling test every Friday.

Spellings have been sent home and are on the website.

# Homework Booklet

What made the ancient Egyptians so unique?

**Empire**- What was the role of the empire in the time of the Ancient Egyptians?

**Belief** - What were some of the key beliefs of the ancient Egyptians?

**Identity** – What makes the identity of the ancient Egyptians so unique?

**Achievement** - What were some of the key achievements of the ancient Egyptians?

# Times Tables

We have the **Multiplication Tables Check** coming towards the end of the year.

Please get practising so our children get the best scores they possibly can. They will be quizzed on their tables up to x12.

Times Tables Rockstars is great, especially the games called Garage (personalised to each child) and Soundcheck (replicates the style of the Multiplication Tables Check).

Hit The Button is great to focus on certain tables (<https://www.topmarks.co.uk/maths-games/hit-the-button>)

## Tables test

We will practise a focus table each week. This half term the table's tests will be on these dates:

13.01	x2 and x4	03.02	x7 and x 8
20.01	x3 and x6	10.02	x9 and x 11
27.01	x5 and x10 and x12		

## Homework Activities

The following activities are all optional.

Please use them as a chance to get creative, and don't be afraid to think outside the box if the mood takes you.

### What might you find in Ancient Egypt?

Create a mind map of at least six things you might see in Ancient Egypt. Include drawings and a sentence description for each.

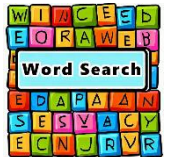

### Build a pyramid

Using materials of your own choice, build a pyramid fit for a king! We have had lots of ideas in the past, from LEGO to cocktail sticks!

### Interview with Tutankhamun

Imagine you have the chance to speak to Tutankhamun. What would you ask them? What might they say? You could ask a few questions and record your answers. This could be written or recorded as a video.

### Word search

Decide which words and how many you will hide in an ancient Egyptian themed word search. Bring it in and we could copy it and some friends could have a go at solving it.
